

## PACK 216 - FALL CUB SCOUT CAMPING EQUIPMENT LIST

### Clothing

- Extra shirt, pants, socks, underwear, shirts and footwear (closed-toe only)
- Sleeping attire
- Sweater, sweatshirt, and/or jacket depending on weather
- Rain gear/poncho
- Class A uniform (for traveling)

NOTE: When cotton gets wet it loses its insulating capability, so consider other materials when packing, especially when bad weather is likely.

### Cooking and Eating

- Plate and cup or mess kit, coffee mugs as appropriate
- Cooking and eating utensils including can opener if necessary
- Paper towels and Hand wipes
- Scour pads, detergent for cleanup and soap pans to make cleanup easier
- Matches in waterproof container
- Food for meals. Hearty fare simple with fewer pots to clean
- Water jugs (large), that are easy to carry
- Canteens or reusable water bottles. (Prepare to drink water more often in hot weather)
- Stove. Propane or Coleman type. (Avoid the need to find fuel on site. Campfires and stoves are only to be operated with adult present.)
- Garbage bags. Recycle when you can
- Food and snack for Friday Dinner, Saturday Breakfast and Lunch, Sunday Breakfast

### Personal and Clean Up Items

- Toilet paper
- Toothbrush & toothpaste
- Soap, towel for personal clean up
- Chapstick, insect repellent, sunscreen
- Head lamp or flashlight, with spare batteries
- Personal first aid kit
- Pocket knife - only if the scout has the whittling chip card with them

### Sleeping and Shelter

- Sleeping bag
- Light blanket or bed sheet if bag is too warm.
- Sleeping pad or air mattress under sleeping bag,
- Pillow
- Tent - waterproof, with floor and rain fly
- Tarp (ground cloth) for under tent
- Ear plugs

### Other Equipment (Make sure you or your Den has these items)

- Dining fly or tarp with poles for den to congregate under, especially if conditions warrant.
- Camp table. Chairs for adults.
- Den first aid kit.
- Lanterns. Coleman type or Propane.
- Campfire wood.
